Furniture Covers

Our durable furniture covers are designed to let your furniture breathe whilst at the same time protecting it from the elements. The fabric is water resistant and mesh panels let air circulate to prevent the mildew and cracking that condensation can cause. Made from 600 denier, PVC-free Polyester they're durable and won't deteriorate in UV light.

Safe and secure

With straps and buckles to attach our covers underneath the furniture they won't blow off in the wind – we've even tested them in hurricane conditions!

The perfect fit

Shockcords and stainless steel eyelets mean the cover can be pulled in tight around the furniture for a snug, tidy-looking fit.

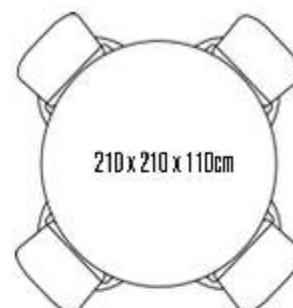

Now packaged in full-colour cylindrical bags

Easy-grab handles at the top

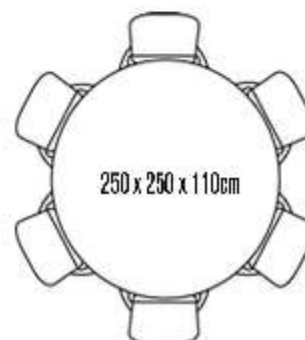

Our furniture and accessory covers not only look good!

They'll fly off the shelves in no time.

Gri||stream®

COOK ON GAS, CHARCOAL OR BOTH IN THE SAME BBQ

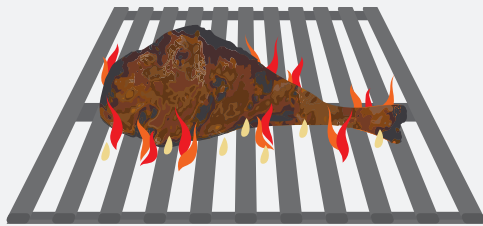

THE **MAGIC** OF Grillstream®

- 1** Grillstream has unique double grills:
LESS FAT, NO FLARE-UPS, MORE FLAVOUR!

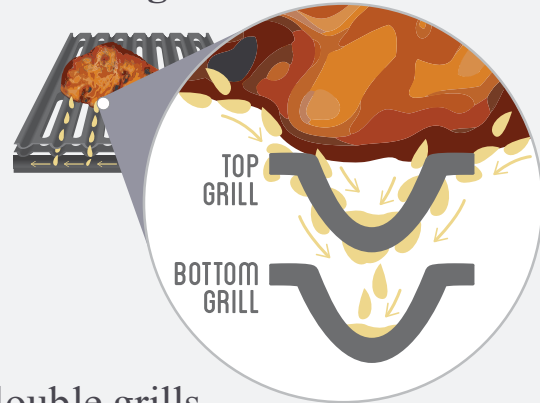

NORMAL GRILL

Flare up = burnt food

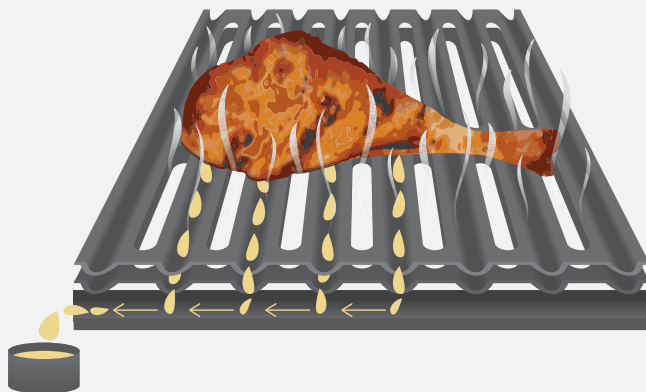

Grillstream® GRILL

The “**MAGIC**” of the second grill

- 2 NO FLAREUPS**
Grillstream’s “**MAGIC**” double grills prevent fat dripping down onto the burner and causing flare-ups.

- 3 LESS FAT, MORE FLAVOUR**

Food is more succulent and more of the juices can evaporate, basting the food with added BBQ flavour.

- 4 EASY CLEAN**

Minimal fat drips down to the inner BBQ so all you need to do is brush the grills and empty the fat cup!
